

CYBER SECURITY SEMINAR

OPEN TO THE PUBLIC

Cyber Crime - Cyber Security – Social Media

Cyber Crime is a serious problem world-wide. Its costs exceed billions of dollars annually. There are things we can do to minimize cost and risk from Hackers, Viruses, Trojans, Fraud, Identify Theft, Phishing, Social Engineering and much more. To learn how, come to this seminar and bring your questions. We welcome your questions and presence.

Thursday, October 26th, 2017

6:30 p.m. – 8:30 p.m. FMBC Center for Families
(3333 North 4th Street, Minneapolis, MN 55412)

PRESENTERS

Deacon Earle Phillips
Senior Information Technologist

Trustee Charles Dennis
Senior Information Security Risk Analyst

OCTOBER:
CYBER SECURITY
AWARENESS MONTH

Protecting our families, personal assets, community and country against Cyber Crime is everyone's responsibility. Community involvement is critical to combating Cyber Crime. Together we will make a difference!

This seminar is presented by the Learning Tree Ministry under the Board of Christian Education. Teens and adults are encouraged to attend. Lite refreshments will be served.
