FELLOWSHIP MISSIONARY BAPTIST CHURCH, MINNEAPOLIS

Join The Forum and faith leaders as we recenter honor, care and kindness as the foundational interactions for collective liberation. To achieve the Beloved Community, we must embark on a spiritual and interpersonal healing journey, addressing the wounds, to foster empathy, understanding, and forgiveness. This conversation is a call-in to strengthen our Blackness and greatness.

This event will be facilitated by Minister Amber Jones, Forum Managing Director, Policy Impact, & co-hosted by Reverend Elijah McDavid III, Senior Pastor of Fellowship Missionary Baptist Church.
